Your Gateway to Free Health Services

## Sehat Card Plus KP

At **Sehat Card Plus KP**, we are revolutionizing healthcare accessibility for the residents of Khyber Pakhtunkhwa. As a cornerstone of the provincial government's initiative, our program offers comprehensive health coverage tailored for underprivileged families.

### Purpose of Sehat Card Plus KP

At **Sehat Card Plus KP**, programme aims to ensure social health insurance for all residents of Khyber Pakhtunkhwa, minimize financial burdens on families for inpatient treatments, and encourage greater use of services offered by empaneled hospitals.

Sehat Card Plus KP is more than a program—it's a commitment to the health and well-being of our people. Together, we're building healthier futures.

## Check Your Eligibility

All families of KPK registered with NADRA and having CNIC cards are eligible to avail the services provided under SSP.

SMS your **CNIC to 9780** to find out if you qualify for the Sehat Card Plus program instantly.

Access Quality Care at Our Trusted Facilities

## Empaneled Hospitals at Your Service

An empaneled hospital is a healthcare facility registered with the Health Care Commission of Khyber Pakhtunkhwa and selected to provide healthcare services to the programme's beneficiaries.

Discover our extensive network of empaneled hospitals that accept Sehat Card Plus. These facilities are committed to providing top-notch medical services at no cost to you. Click below to find a hospital near you and take the first step towards quality healthcare.
